SALES TRAINING

Certified High-Ticket Closer

High Ticket Sales Academy | 2026

- Trained in consultative discovery, objection diagnosis and handling, price framing, and closing the deal

Unicorn Closer Mastermind

Josh Lyons | 2026 - Present

- Ongoing membership in a high-ticket closing community: live coaching, recorded call reviews, and role-play reps focused on script-free selling and buyer psychology

PROFESSIONAL EXPERIENCE

Financial Educator & Business Developer

ArcGenesis Finance | March 2022 - Present

- Researched and developed a comprehensive financial education program covering budgeting, compound interest, debt management, tax basics, and insurance products
- Built expertise in explaining complex financial products and helping individuals make informed decisions
- Demonstrated self-motivation and goal-setting ability while managing projects from concept to execution
- Developed a strong understanding of financial products and concepts, translating complex topics into clear, actionable guidance through one-on-one and group conversations

Build Crew Member

Grov Technologies | August 2017 - January 2018, June 2018 - March 2022

- Consistently met construction deadlines while maintaining quality standards in a fast-paced environment
- Collaborated with team members to achieve shared goals and deliver customer-ready products
- Maintained detailed focus on safety protocols and quality control throughout the production process
- Successfully balanced multiple responsibilities including construction, safety compliance, and product handoff

English Teacher

International Language Program, Kyiv, Ukraine | January 2018 - June 2018

- Prepared and delivered 3-5 engaging lessons weekly for diverse age groups (ages 2-17)
- Adapted teaching style to meet individual student needs and learning preferences
- Built rapport quickly with students and parents in a cross-cultural environment
- Demonstrated ability to explain concepts clearly and ensure understanding

Web Designer

9throot | March 2016 - September 2016

- Executed client projects with attention to detail and quality standards
- Managed multiple client requirements simultaneously while meeting deadlines
- Independently advanced technical skills to better serve client needs and improve deliverables
